

It is respectfully submitted that entry of this amendment requires limited additional work on the part of the Patent and Trademark Office, does not affect the scope or patentability of the allowed claims, does not naffect the scope of the patentable subject matter, and does not require an additional search or examination by the Examiner.

The issue fee is being paid concurrently with this amendment.

In view of this, it is respectfully submitted that entry of this amendment under Rule 312 is in order and such entry is respectfully requested.

Respectfully submitted,

A handwritten signature in dark ink, appearing to read "G. L. Harris", is written over a horizontal line.
